# FREE Influenza Vaccine

Influenza (flu) is a common disease that can affect your lungs and breathing. It can make some people, including healthy babies and children, very unwell.

The flu vaccine is safe and effective. Everyone over 6 months old should get it every year.

Children aged between 2 and 11 years can now have a **NEEDLE-FREE** flu vaccine in their nose.

You can get **FREE** flu vaccines at **ERICA Women's Centre**:

**Wednesday 17<sup>th</sup> June, from 10am to 2pm**

**Monday 29<sup>th</sup> June, from 10am to 2pm**

**For children and adults**

**No bookings needed, walk in only**
